Black Creek Employee Celebrates 90th Birthday

Long-time Employee, Willie Peebles, turned 90 today. When asked how he managed to enjoy such longevity, Willie responded that he didn't drink (alcohol), didn't smoke, maintained positive relationships with his friends and family, and didn't eat junk food. Ironically, Willie had to suspend his healthy mantra long enough to enjoy some decidedly unhealthy birthday cake with the folks at Black Creek. After all, you only turn 90 once.

Mr. Peebles came on board Black Creek in early 2008. He had worked for the Mouat Company for many years prior to joining Black Creek.

More about Black Creek ISC

Black Creek Integrated Systems is your turn-key source for modern, Touchscreen-based, correctional facility security control systems and security management software solutions that reduce the cost of corrections. Black Creek focuses only on the corrections market – installing integrated security and records management solutions

in jails, prisons, courthouses and government facilities across the nation. [Learn More about Black Creek >](#)
