Broome County, New York Awards Black Creek Touchscreen and CCTV Video System Upgrade

Black Creek has been awarded the Touchscreen and Digital Video System Upgrade at the 536 bed Broome County Public Safety Facility in Binghamton, NY. The facility, which opened in 1996, has received accreditation from the NYS Commission of Correction, NYS Sheriff's Association and the National Commission on Correctional Health Care.

The project will include an upgrade of the SuperDisplay™ Touchscreen System, as well as new digital CCTV & NVR Recording Systems. It will incorporate new servers, utility

computers and Programmable Logic Controller Systems. Additionally, Black Creek will be installing new Digital Video Master Review Workstations, new Digital Video Encoders and a new Digital Video Recording System, providing 30 days of online storage for all existing cameras and 30 new cameras. Finally, the Access Control System will be upgraded for all card access doors in the facility.

More about Black Creek ISC

Black Creek Integrated Systems is a turn-key source for modern, Touchscreen-based, correctional facility security control systems and security management software solutions that reduce the cost of corrections. Black Creek focuses only on the corrections market – installing integrated security and records management solutions in jails, prisons, courthouses and government facilities across the nation.
