Ontario County Awards Black Creek Touchscreen System Expansion

Black Creek has been awarded the contract to provide security electronics equipment to accommodate the system expansion at the Ontario County Correctional Facility in Canandaigua, NY. Black Creek's system has been integrated in the 276 bed facility since 2007.

The Black Creek Touchscreen System upgrade will include modifications to the existing Touchscreen Control System, incorporating the renovations to the facility. The existing system includes Black Creek's SuperDisplay™ Touchscreen System, Voice-

Over IP (VOIP) Intercom System, Wireless Personal Detention Assistant™ mobile security control system, Watch Tour, Closed Circuit Television System (CCTV) with Network Video Recorders (NVRs) and Personal Duress & Alarm System.

More about Black Creek ISC

Black Creek Integrated Systems is a turn-key source for modern, Touchscreen-based, correctional facility security control systems and security management software solutions that reduce the cost of corrections. Black Creek focuses only on the corrections market – installing integrated security and records management solutions in jails, prisons, courthouses and government facilities across the nation.
