Black Creek Announces the Appointment of Tommy Alfano as Vice President Over Criminal Justice Applications Group

March 25, 2013

Black Creek Integrated Systems is pleased to announce the appointment of Tommy Alfano to Vice President of the Black Creek Criminal Justice Applications Group.

Tommy has been employed by Black Creek since November of 2007, overseeing the design and development for in-house software applications such as SallyPort® Jail Management System®, IP Web Visitor®, Video Visitation System, and Black Creek's revolutionary Inmate RFID Tracking System.

Tommy holds a BS in Computer Science and a Master's Degree in Business Administration from the University of Alabama.

Established in 1978, Black Creek is a leading provider of computerized products for use solely in the criminal justice and corrections markets.
